**Dan**: I mean, don't want to put anyone down, but . . .
**me**: I don
**me**: I don't think he thinks that
**me**: I've been reading him since I was 15
**me**: as I used to intern at those alt weeklies
**Dan**: Oh, but he's written that, saying that straight sex is like Tab A, Slot B.
**me**: ah
**me**: well, I'm in no position to argue because I haven't fucked a guy
**me**: let the homo think what he will
**Dan**: LOL, me either, but I don't think he takes into account just how alien the mind of woman is.
**me**: that's very possible. not something that we breeders can ignore
**Dan**: Truly.
**me**: I've got a girlfriend now, it sucks
**Dan**: Or, we do so at our great peril.
**Dan**: Aw, sorry about that.
**me**: She's taking the me-being-in-perpetual-act-of-propaganda-of-the-deed pretty well, though
**me**: for a girl
**Dan**: Okay, that's definitely off the record.
**me**: k
**Dan**: Anyway, thanks for the heads up.
**Dan**: My mind's like a sieve. Can you remind me on Monday?
**me**: soitanly
**Dan**: Tanks.
